Sacramento County
Republican Party

WELCOME TO SACRAMENTO!

Helpful tips during your stay....

1. The Kings will play at Golden One Center on Saturday at 2pm. The City blocks off L Street near the Arena before and after the game, so plan accordingly. The Arena is located on L between 5th & 7th.
2. With the exception of parking meters in Old Sacramento, downtown meters require payment every day of the week from 10am - 10pm. We're not kidding...
3. Take time to stroll over to the Capitol building. Enter from N Street on weekends between 9am and 5pm. Don't forget Capitol Park on the east side with many points of interest and forty acres of plant life from around the globe.

The Sacramento County Republican Central Committee looks forward to meeting delegates during the Convention and working together to build our California Party from the ground up!
