

# Let's Walk for Andrew Grant Candidate for Congressional District 7

Andrew Grant is a business leader and former intelligence officer, who served in combat as a Marine, a senior official in the U.S. State Department, and for the Chairman of the Joint Chiefs of Staff. As CEO of the Northern California World Trade Center, he helped regional businesses expand their international trade opportunities, creating more good-paying jobs for Californians. His experience and understanding of the challenges facing us at home and abroad makes him the right person to fight for us in Congress.
