## 2019 Republican Candidate Debate California State Senate District 1

California's 1st State Senate district is one of 40 California State Senate districts. It is vacant, as Republican Senator Ted Gaines of El Dorado Hills resigned to become a member of the California Board of Equalization in January 2019

The district stretches along the eastern edge of the state from the Oregon border to the Lake Tahoe area. It wraps around the Sacramento Valley along the northern Sierra Nevada to the eastern Sacramento suburbs. Most of the population is concentrated in the suburban southern parts, while the rest of the district is primarily rural.

The Sun City Roseville Republicans are pleased to sponsor, in conjunction with other notable Republican volunteer organizations in Placer County, including The Lincoln Club of the Sierras, Impact Republicans and the Auburn Area Republican Woman, Federated, the first head-to-head debate among the three Republican contenders for the March 26, 2019 Primary contest in the California State Senate District 1.
