

Hi this is Dean Haddock

I am running for the CAGOP Central Valley Region Vice-Chair at our February Convention.

I am honored to have the support and endorsement of Central Valley political leadership starting with House Republican Leader **Kevin McCarthy** and State Senate Republican Leader **Shannon Grove**, plus my local Assemblyman **Vince Fong** Assemblyman **Devin Mathis** and Chair of the Kern GOP **Ken Weir**.

I would like to have your support too. As a lifelong Republican, I took the plunge many years ago to do more to serve the party, elected as the Chair of the Kern County Central Committee for four years (2012 - 2016), running four Lincoln Day successful fundraisers, and have continued to be an elected Kern Central Committee Member and have been a CRP member for 14 years.

I am ready to do more as needed to work with all of you as we look towards 2020 from presidential to state and local elections and the projects that must be done to help bring GOP victories at the ballot box.

Here's some of my background for those of you who may not know me.
