Republican Party of Sacramento County to Host Candidate Rally & Ballot Collection Event

Sacramento, Calif.— (October 8, 2024) The Republican Party of Sacramento County is hosting an open house for all friendly Sacramento County voters on Saturday, October 12 from Noon - 4pm. “We are pleased to provide this opportunity for Sacramento County voters to meet our endorsed candidates and learn about key ballot measures,” said SacCountyGOP Chair Betsy Mahan. “Our headquarters team can help voters to identify candidates on their ballot who will work for safe communities, lower food and gas prices, and empower schools that focus on academics and parental involvement.”

A food truck will be on site starting at Noon, and elected officials and candidates will be greeting voters starting at 1:00pm in the parking lot in front of SacCountyGOP Headquarters - 9851 Horn Road, Ste. 100, Sacramento. There will also be representatives for local conservative clubs, and key ballot measures such as Yes on 36 - the state initiative that will make crime illegal again.

Voters may also bring their ballots and SacCountyGOP will deliver them directly to the Sacramento County Elections office the next business day.
